Dear Parade Participant:

DRESS'EM up and HEAD'EM out to the Ogden Pioneer Days Horse and Hitch Parade! This year's Horse & Hitch Parade will be held on Monday, July 11, 2022, at 7:00 p.m. We encourage you to dress up your horse and yourself for a colorful and fun Horse and Hitch Parade.

The west end of Park Blvd. needs to be kept open for parade staging so please **use the east entrance** to enter Park Blvd. and park in designated parking areas only. Parade officials will direct and help you to these areas.

To ensure we have adequate room for trailers**, no vehicles without trailers will be allowed to park in the designated parking areas along Park Blvd**. Vehicles without trailers may park on the grass along the west side of the Arena.

Hitches:	Dirt parking east of apartments on Park Blvd. to barricades.
Individuals, Youth & Adult Groups:	Park east of Hitch Parking Lot from barricades to the end of the dirt parking area.

Check in will begin at 5:30 p.m. at the bridge on Park Blvd.—southeast corner of the Ogden Pioneer Stadium. All entrants must check in. Participants number, food tickets, and other information will be distributed at that time.

The Parade Route will be along Washington Blvd., to 26th Street to Grant Ave, over to 25th Street and back along Washington Blvd. Staging area will start east of Prairie Schooner Restaurant on Park Blvd.

During the parade, please keep approximately 12-15 feet spacing between groups. DO NOT STOP FOR ANNOUNCERS! KEEP MOVING! Thanks.

We strongly advise not throwing candy during our parade. We don't want to see a child hurt running out to pick up candy in front of the wagons.

Immediately after the Parade we will hold the Picnic in the Park **at the Lorin Farr Pavilion located over the bridge, at the east side of the arena.** Join us there for food, mingling, and fun! All parade participants eat free and non-participants are invited at a cost of $3.00 per meal.

If you have any questions, please call me at 801-388-3253 (mobile).

Sincerely,
Tracy Smith
Horse & Hitch Parade Director
